

Criminal Appeals

If you or a family member were convicted of a crime, JGL has substantial experience representing individuals appealing their criminal convictions.

Attorneys at JGL have convinced appellate courts to reverse criminal convictions to ensure people charged with a crime have a fair trial. JGL will help you navigate the criminal appeals process, inform you of your rights, prepare the strongest brief possible, and argue the case in the appellate court.

Consult an Appellate Attorney

JGL has one of the most successful and experienced appellate practices in the region.
